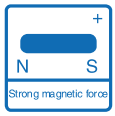
MINIP-25 Mini Stirring Magnetic (Cute Stir)

Mini stirring magnetic MINIP-25 is a mini-sized and portable magnetic stirrer with high standard reliability and durability. It has wide range of application.

Speed Range Adjustable



Strong Magnetic

Max Stir Volume

【 Product Features 】

1. Distinct designed. Small and exquisite. Simple operation.
2. Long using life with no carbon brush motor.
3. Speed regulation stepless, large range of speed.
4. Strong magnetism to avoid stirrer jump.
5. Convenient and portable. Meet different kinds of experimental demands.

【 Technical Parameters 】

Model	MINIP-25
Platform Size	Φ88mm
Platform Material	plastic
Speed Range	0 ~2500rpm
Max. Stir Capacity	250ml
Max. Size of Stirrer Stick	Φ8x40mm
Motor Input / Output	1.2W/0.8W
Voltage	AC 100 ~230V, 50/60Hz
Power	≤12W
Dimension (WxDxH)	110 x 110 x 70mm
Net Weight	1.2kgs
